Is this the moment

67

Forgive my

73

Is this the moment where I look you in the eye?
 Forgive my broken promise that you'll never see me cry
 And everything, it will surely change
 Even if I tell you I won't go away today

Will you think that you're all alone
 When no one's there to hold your hand?
 When all you know seems so far away
 And everything is temporary, rest your head
 I'm permanent

I know he's living in hell every single day
 And so I ask, oh God is there some way for me to take his place?
 And when they say it's all touch and go
 I wish I could make it go away but still you say

Will you think that you're all alone
 When no one's there to hold your hand?
 When all you know seems so far away
 And everything is temporary, rest your head
 I'm permanent, I'm permanent

Is this the moment where I look you in the eye?
 Forgive my promise that you'll never see me cry
